Memorandum

Date: September 3, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution authorizing the execution of an Interlocal Agreement between the City of Miami Gardens and the Miami-Dade County Stormwater Utility for payment by the City of its pro-rata share of principal and interest payments on outstanding Miami-Dade County Stormwater Utility Revenue Bonds, Series 2004 maturing April 1, 2014 and April 1, 2015, and outstanding Miami-Dade County Stormwater Utility Revenue Refunding Bonds, Series 2013

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the execution of an Interlocal Agreement (Agreement) between the City of Miami Gardens (City) and the Miami-Dade County Stormwater Utility (Utility) for payment by the City of its pro-rata share of principal and interest payments on outstanding Miami-Dade County Stormwater Utility Revenue Bonds, Series 2004 maturing April 1, 2014 and April 1, 2015, and outstanding Miami-Dade County Stormwater Utility Revenue Refunding Bonds, Series 2013 (refer, to Exhibit A of the Agreement). The term of the Agreement is from October 1, 2014 to September 30, 2029.

Scope

The City's municipal boundaries fall within Commissioner Barbara Jordan's District 1.

Fiscal Impact/Funding Source

There is a positive fiscal impact to the County. The City will make payments to the Utility in accordance with the Debt Service Schedule shown in Exhibit A of the Agreement. Over the life of the Agreement, the City will pay the Utility \$10,133,774.

Track Record/Monitor

The Public Works and Waste Management Department, Stormwater Utility Planning Division's Division Director, Marina Blanco-Pape, P.E., will be responsible for monitoring this Agreement.

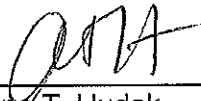

Background

Incorporated areas exempted from the Utility that were part of the Utility Service Area at the time the bonds were originally issued are required to pay a pro-rata share of the debt service on such bonds pursuant to inter-local agreements.

On February 5, 2013, by Board Resolution R-92-13, Miami-Dade County and the City of Miami Gardens renewed their agreement providing for the billing of stormwater charges by the Water and Sewer Department (WASD) for the City. Through this agreement, WASD collected and forwarded to the Utility, the City's pro-rata share of the debt service on the Stormwater Utility Revenue Bonds Series 1999 and Series 2004. This agreement was later terminated on September 30, 2013.

On May 7, 2013, by Board Resolution R-388-13, the City entered into an Intergovernmental Cooperation Agreement with Miami-Dade County Office of the Property Appraiser providing for the non-ad valorem assessment for stormwater user fees to properties within the incorporated area of the City, and for the collection of said fees by the Miami-Dade County Tax Collector beginning on October 1, 2013. All collected stormwater fees would then be forwarded by the Tax Collector to the City for its use.

On April 23, 2014, by Resolution 2014-71-2049, the City Council of the City approved the proposed Agreement. The proposed Agreement provides a mechanism for the City to make routine payments to the Utility of the City's pro-rata share of the debt service on the outstanding Miami-Dade County Stormwater Utility Revenue Bonds.

THIS INTERLOCAL AGREEMENT, [the "Agreement"] by and between the Miami-Dade County Stormwater Utility, a public body corporate and politic, through its governing body, the Board of County Commissioners of Miami-Dade County, Florida [the "UTILITY"], and the City of Miami Gardens, a Florida Municipal Corporation, through its governing body, the Miami Gardens City Council of the City of Miami Gardens, Florida [the "CITY"], is entered into as follows:

WITNESSETH

WHEREAS, Section 403.0893, Florida Statutes (F.S.), authorizes the establishment of stormwater utilities to plan, construct, operate, and maintain stormwater management systems; and

WHEREAS, the Board of County Commissioners of Miami-Dade County [the "Board"], did, by adoption of Miami-Dade County Ordinances No. 91-66 and Ordinance No. 91-120, as amended by Ordinance Nos. 92-44 and 92-86, create a stormwater utility, and which UTILITY may operate within a municipality or municipalities; and

WHEREAS, the County issued its Miami-Dade County Stormwater Utility Revenue Bonds, Series 1999 and Series 2004 [the "PRIOR BONDS"] to fund certain capital improvements and enhancements to the stormwater utility within the Utility's Service Area which included the area that was incorporated as the CITY; and

WHEREAS, the CITY acknowledged and recognized its responsibility on December 13, 2006, through CITY Ordinance No. 2006-25-106, to pay its pro-rata share of the principal and interest on the PRIOR BONDS; and

WHEREAS, the UTILITY formally exempted the CITY from the Miami-Dade County Stormwater Utility on March 1, 2007, through County Resolution No. R-277-07, with the condition that the CITY continue to pay its pro-rata share of the principal and interest on the PRIOR BONDS; and

WHEREAS, the CITY entered a five-year Agreement with the Miami-Dade County Water and Sewer Department [the "WASD"] on March 1, 2007 [the "Five-Year Agreement"], pursuant to County Resolution No. R-251-07, for the collection of, and payment to the CITY by WASD, of the CITY stormwater charges collected within the City [the "City Receipts"]. WASD retained the CITY's pro-rata share of the annual principal and interest payments on the PRIOR BONDS on a monthly basis and transferred such amounts to the UTILITY.

WHEREAS, the above Five-Year Agreement was replaced on February 5, 2013 with a new ten-year Agreement with similar terms and conditions; and

WHEREAS, the CITY and WASD both wish to terminate such ten-year Agreement upon their approval of an approved alternate method of payment by the CITY to the UTILITY; and

WHEREAS, it is the intent of the UTILITY and the CITY, through this Agreement, to establish an approved alternate method of payment by the CITY from City Receipts to the UTILITY for the CITY's pro-rata share of principal and interest on the Miami-Dade County Stormwater Utility Revenue Refunding Bonds, Series 2013 and the Miami-Dade County Stormwater Utility Revenue Bonds, Series 2004 that mature on April 1, 2014 and April 1, 2015 [collectively, the "BONDS"] which refunded the PRIOR BONDS in order to achieve an interest cost savings to the benefit of the City and the Utility,

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein and the mutual benefits to be derived from this Agreement, the parties hereto agree as follows:

ARTICLE I CITY AND UTILITY RESPONSIBILITIES

A. The City shall pay to the UTILITY on September 15, December 15, March 15, and June 15 of each year, commencing on December 15, 2013 the quarterly payments depicted in Exhibit "A". It is understood that the initial Invoice may be prepared in a manner that allows reconciliation of any outstanding fees, if necessary, based on the final approval by the BOARD.

B. The CITY and the UTILITY agree that the quarterly amount to be paid by the City to the Utility set forth in Exhibit "A" may be increased or decreased administratively by agreement of the County Mayor and City Manager based on a refinancing or restructuring of the outstanding BONDS or due to a CITY annexation that increases the City's Receipts and decreasing the UTILITY's fees in a like amount. The CITY will have the option to satisfy the annexation area's pro-rata share of the debt service on the BONDS through a separate agreement.

C. The CITY and the UTILITY shall maintain financial records pertaining to this Agreement for 5 years after the expiration of this Agreement, and shall make them available for inspection and copying at the place where the records are maintained within a reasonable time after receiving a records request.

D. The CITY and the UTILITY shall each comply with all applicable regulations, ordinances and laws in effect in the performance of this Agreement.

E. The CITY and the UTILITY agree that the Ten Year Agreement is terminated and thereby, no longer has any legal force or effect.

ARTICLE II TERM OF THE AGREEMENT

This Agreement shall commence on October 1, 2013, and remain in full force and effect until the BONDS are no longer outstanding and the CITY's pro-rata share of the total debt service on the BONDS is fully paid. This Agreement may be terminated by mutual agreement of both parties, only if a UTILITY approved alternate method of satisfaction of any outstanding balance of the CITY's pro-rata share of the debt service on the BONDS is executed by the parties.

This Agreement shall also be terminated at the discretion of the County Mayor in the event the CITY fails to make a payment to the County pursuant to Article 1 A. of this Agreement for two consecutive quarters. Thereafter, the County shall collect the CITY Receipts, retain the CITY's pro-rata share of the annual principal and interest payments on the BONDS and transfer the remainder of the City Receipts to the CITY.

ARTICLE III RIGHTS OF PARTIES; OTHERS

It is the intent and understanding of the parties that this Agreement is solely for the CITY and the UTILITY. No person or entity other than the CITY or the UTILITY shall have any rights or privileges under this Agreement in any capacity whatsoever, either as a third-party beneficiary or otherwise.

ARTICLE V ENTIRETY OF AGREEMENT

The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this Agreement, and that this Agreement contains the entire agreement between the parties as to all matters contained herein. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. **ARTICLE X
INVALIDITY OF PROVISIONS, SEVERABILITY**
